*Merry
Christmas*

*Happy
New Year!*

We hope this holiday season finds you safe and well. This year has been described in many ways...challenging, difficult, scary, and unbelievable. But we of course would describe it as definitely historic. We're sure that there will be many stories written chronicling 2020 in the years to come.

As with many organizations we cancelled all of our special events and did not open our doors until July 7. It was the Board's decision at that time, to open on a limited basis on Fridays & Saturdays. As recommended, we limited the number of people allowed inside and required masks. We were happy to welcome 45 visitors during our short season.

Despite the cancelled events and having only limited hours, we do have some items to report. Our website has been updated and moved to a new server. You can now renew membership and make donations online through PayPal at that site. Our yearly membership runs from July 1 through June 30. Be sure and check it out at www.cablehistorymuseum.com. We hope yearly members who haven't renewed yet will consider doing so. Also, plans are being made to redesign some of our exhibits and we will be working on that during this winter. Hopefully by next summer we will be "business as usual" and you will be able to visit and see what is new.

Since we were unable to hold any of our fundraising events, we would like to encourage you to keep us in mind as you consider your end of year contributions. As indicated above, you can do this online at our website www.cablehistorymuseum.com or we have also enclosed a self-addressed envelope for your convenience.

We want to thank all those who have renewed membership and made donations during this year. We are very grateful for your generosity and continued support. We would not be here without you!

Many good wishes for a very Merry Christmas and a Happy New Year.

Your Museum Board of Directors
