

*December 2021*

*Wishing you ALL a very Merry Christmas and a healthy New Year!*

*We are happy to report we were able to be open all summer and had over 300 visitors to the museum. We have had two events this year, our Ice Cream Social on July 25; and our Cemetery Walk on October 9. Both events were well attended. At the Ice Cream Social we dedicated a beautiful stained glass hanging to our beloved Past President, Kathy Lang,. (See photos on back of this letter.)*

*Carol Elliker and Kathy Lang organized our current wonderful exhibits several years ago. We thank them and all who helped for their work. This winter we are excited to be able to refresh and change our exhibits. This will include a new exhibit on the Cable Union Airport, now 75 years old. We are also organizing reference material for easy access. Be sure to come see us next summer when we reopen!*

*We want to offer a huge **Thank You** to all who have renewed memberships and sent donations. Please continue to think of us as you send out end-of-year donations. A self-addressed envelope is enclosed for your convenience. Donations can also be made through PayPal at our website listed below under "Memberships & Newsletters."*
