

Cable/Namakagon Historical Museum
P.O Box 44
Cable, WI 54821

December, 2022

Greetings!

We want to wish you a very Merry Christmas and a Happy New Year and let you know what we are up to at our Little Museum with Big History! This past year has been a busy one for us. Here are some highlights.

- ❖ **School visits:** These visits are done in cooperation with the Cable Natural History Museum. This year we hosted 100 2nd graders who learned about the history of our area and participated in a history scavenger hunt.
- ❖ **Attendance:** In addition to the students, we had close to 300 other visitors throughout the summer.
- ❖ **Events:**
Our annual Ice Cream Social was held on July 31 complete with delicious sundaes, ice cream sodas, cones and this year a homemade pie raffle. With the wonderful music of the it was a very enjoyable successful event.
- ❖ **Exhibits:** Our new exhibits on the Cable Union Airport, Sheep to Sock, and The First People - Anishinaabeg have been very well received. In addition, we have enlarged our Schools and Founding Families exhibit. We have also established a reference library and area for those who would like to research Cable and Namakagon. This next winter we will be working on redesigning the resort exhibit.
- ❖ **Projects:** **An important project we would like to announce is our Pandemic History Project.** The pandemic, which continues to affect all of us, is a significant historical event and over the next 12 months, the museum will be collecting stories of the many and varied ways in which the pandemic has affected the lives of local residents. All stories will be archived at the museum. You are invited to share your story. Stories will be accepted both in writing or by interview. If you are interested in participating in this project, contact Sue Rosa via email (sue.rosa6744@gmail.com) or by telephone (608) 235-1553. Please see the enclosed information sheet. Information is also available at our website, www.cablehistorymuseum.com.

As always, we extend a special thanks to our faithful docents who have helped us throughout the summer, and, most important, to all of you, our faithful members. We are grateful for your generosity and support. As a non-profit organization, we rely on our membership renewals and the addition of new members for much of our funding. We also appreciate those who attend and participate in our fundraising events. We couldn't do what we do without all of you! We welcome your ideas and suggestions. If you feel moved to do so, we would also welcome any year-end special donations.

Be sure to visit us if you are in the area. You can also visit us on Facebook and at our website, www.cablehistorymuseum.com . You can Follow us on Instagram, by searching at "littlemuseumwithbighistory".
